ELECTRONIC PRESS KIT

who is **AGIK**

Born and raised in the culturally rich city of **Yogyakarta, Indonesia**, Agik started his DJ career in 2013, giving him **more than a decade** of experience behind the decks.

He is known for his **expressive** on-stage presence and **infectious energy**, not to mention his ability to **interact with the crowd** through his MCing skills which allow him to engage with the audience.

THE SOUNDS OF AGIK

Agik brings the sounds of funky **tech house** and high-energy **bass house** in his sets, inviting you to feel the **irresistible groove** on the dance floor.

On the side, he often drops hard-hitting **drum and bass** tracks, creating a **balance** between his **cheerful** and **darker** side.

From big to small, from local to international, and everything in between, he has seen them all. Agik has played in various events across Indonesia, primarily in **Yogyakarta**, **Jakarta**, and **Bali**.

On the international stage, he has played in multiple cities and even **sold out** events in **The Netherlands**, mainly Rotterdam, Amsterdam, and Utrecht. His unique style and energy has also garnered him offers from **Warsaw (PL)** and **Tokyo (JP)**.

From **underground clubs** to **festival stages**, here's where Agik has brought the energy.
